*Legal Writing: A Judge's Perspective
on the Science and Rhetoric of the Written Word*

“Legal Writing: A Judge's Perspective on the Science and Rhetoric of the Written Word more than lives up to its name, drawing on everything from cognitive science to great literature to illuminate its important subject. This erudite and elegant guide to advocacy explains not just the ‘how’ of legal writing, but the ‘why.’”

David Lat, Founder of *Above the Law*

“A magnificent book on writing. Drawing on the lessons from psycholinguistics and rhetoric, Judge Bacharach has written a remarkably practical book on how to write effectively. Judge Bacharach illustrates his points with very specific suggestions and countless examples from briefs from top lawyers and opinions of judges. I learned so much from this wonderful book.”

Erwin Chemerinsky, Dean, Berkeley School of Law

“Judge Bacharach has authored the definitive playbook for legal writers. Whether you are a lawyer, judge, legal scholar or law student, this book will show you—not just tell you—how to write more clearly, succinctly, gracefully, and powerfully. I plan to assign *Legal Writing: A Judge's Perspective on the Science and Rhetoric of the Written Word* in my courses at Yale.”

Robert Harrison, Lecturer in Legal Method, Yale Law School

“I loved this book. An easily readable and comprehensive catalogue of do's and don'ts that provides the essential foundations for clear, persuasive legal writing. Judge Bacharach illustrates his points with accessible and fun-to-read excerpts from the opinions of Chief Justice Roberts, Justice Scalia, and Justice Kagan, as well as from social science and psychology. From diction to grammar, and alliterations to aphorisms, this book is mandatory reading for law students and lawyers alike.”

Lisa Blatt, Williams & Connolly,
Chairperson of Supreme Court and Appellate Practice

“Judge Bacharach has done the profession a wonderful service here. Students, lawyers, and judges alike will enjoy his lucid and thoughtful take on every facet of the legal writer's craft. The tips and examples he shares are invaluable.”
